Corpus Christi

The Feast of Corpus Christi presents an opportunity for us to reflect on the fact that on this side of eternity, we are slowly being conformed to Christ. To be a believer means to be open to being made more like Him. The Eucharist is the gift *par excellence* which shapes our hearts after the mold of Christ's own heart, uniting us to Him.

Summer is a time to slow down and smell the roses....

Slow me down, Lord.

Ease the pounding of my heart by the quieting of my mind.

*Steady my hurried pace. Give me, amidst the day's confusion
the calmness of the everlasting hills.*

*Break the tension of my nerves and muscles with the soothing music of singing
streams that live in my memory.*

Help me to know the magical, restoring power of sleep.

Teach me the art of taking minute vacations....

slowing down to look at a flower,

to chat with a friend, to read a few lines from a good book.

Remind me of the fable of the hare and the tortoise;

that the race is not always to the swift;

that there is more to life than measuring its speed.

Let me look up at the branches of the towering oak

and know that ... it grew slowly ... and well.

Inspire me to send my own roots down deep...

into the soil of life's endearing values...

That I may grow toward the stars of my greater destiny.

Slow me down, Lord.
