CBS TRIP TO BAVARIA - It was a wonderful experience to accompany the CBS Transition Year scholars last week. We visited Wurtzburg, Nuremberg, and the sites of historical interest in Munich. We celebrated the Mass together at the Carmelite Monastery beside the Dachau Concentration Camp. It was a privilege to meet such well-mannered and cooperative young scholars. I hope they have caught up on their sleep by now! Young lads like to talk into the night when they are together. Well done to all the teachers on a job well done and to former Principal Dermot Curran for his interesting commentaries and sharing his vast experience and knowledge
