## Society of St. Vincent De Paul

Due to Covid19 restrictions the Society is not able to avail of the generosity of the public from the monthly collections at weekend masses. At the same time demand on resources continues and is expected to increase over the coming weeks and months. Two possible ways people might consider donating in the current circumstances –

- (1) Put your donation in an envelope (with or without your name), address to Society St Vincent de Paul and drop in to the Parish office.
- (2) Do an online transfer ( either one off or monthly standing order) to the Society's Bank account as follows –
  - Name ; St Canices Conference of the Society of St Vincent de Paul
  - IBAN IE03BOFI 9060 4810 9318 29

As always the Society appreciates the ongoing generosity of the public, without your support we cannot help those in need in our community'

## Safety First!

Thank you very much for your great co-operation regarding the return to Church and observing the social distancing. During the week we acquired a machine which will help us to sanitize the Church after the Masses. I am delighted that Luke, Nobin, Brevin and Kevin gave the "fogging" machine or sprayer a trial run and they will look after this operation every weekend. We appreciate very much their help and expertise. It was most impressive to see them studying the manual before the action began. Candles were quenched and even the Sanctuary Lamp was extinguished to prevent a fire. It was an example of Safety First!

We hope you are all keeping well and staying safe in these extraordinary times. Let us continue to do our best to care for one another and to care for ourselves- Jim
