Govt. Guidelines for Church Ceremonies

Religious Ceremonies can now proceed without capacity limits but with all other protective measures in place, i.e. Physical distancing, mask wearing, sanitizing and ventilation. Unfortunately this means every second pew will remain roped off and we ask people from different households to continue to observe social distancing in the available pews. The stewards will endeavor to seat as many people as possible in the Church and we ask you to please follow their guidance. **As case numbers are increasing, Please remember that we still need to observe the government guidelines and protocols to protect ourselves and each other.**

Facemasks must be worn at all Masses and ceremonies.

Please use hand sanitizer before entering the Church.

Please observe social distancing both inside and outside the Church.

Communion will be given in the hand only.

For Communion, we have a one way system- (up the centre aisle and down the side). The people in the side aisles should come up first, followed by the people in the centre aisle.

The people in the centre aisle should remain seated until the stewards reach you.

Please allow for social distancing and follow the directions of the Stewards.

Please take your copy of the newsletter and Mass leaflet home with you. We appreciate your understanding and cooperation as we work to keep our Church a safe place for all.

Safeguarding Sunday November 14th 2021

On the weekend of Sunday 14th November, we celebrate Safeguarding Sunday. On this day we turn the spotlight on safeguarding and remind our communities and parish personnel that protecting vulnerable people is at the heart of the Christian message. Safeguarding Sunday is about creating an opportunity for parishes to find out all the positive work that has been happening in terms of safeguarding over the past year. Safeguarding in our parish could not happen without the commitment and work of those who take on extra responsibilities around safeguarding.

We remember those who have experienced abuse in our Diocese and remind people of the Towards Healing confidential and free counselling service, Ph. 1800 303 416. They provide face to face counselling, structured phone counselling, family counselling and a counselling helpline. The Safeguarding Committee has produced a newsletter to mark this day, and this is available to view on www.ossory.ie.

November - A Time to Remember

During the Month of November the priests of the Parish will offer up Masses for your deceased relatives and friends. There are Remembrance Slips in the November envelopes and at the back of the Church. You are invited to write the names of your deceased relatives and friends on the slip and to place it in the basket at the front of the altar.
