Govt. Guidelines for Church Ceremonies

Religious Ceremonies can now proceed without capacity limits but with all other protective measures in place, i.e. Physical distancing, mask wearing, sanitizing and ventilation. Unfortunately this means every second pew will remain roped off and we ask people from different households to continue to observe social distancing in the available pews. The stewards will endeavor to seat as many people as possible in the Church and we ask you to please follow their guidance. **As case numbers are increasing, Please remember that we still need to observe the government guidelines and protocols to protect ourselves and each other.**

Facemasks must be worn at all Masses and ceremonies.

Please use hand sanitizer before entering the Church.

Please observe social distancing both inside and outside the Church.

Communion will be given in the hand only.

For Communion, we have a one way system- (up the centre aisle and down the side). The people in the side aisles should come up first, followed by the people in the centre aisle.

The people in the centre aisle should remain seated until the stewards reach you.

Please allow for social distancing and follow the directions of the Stewards.

Please take your copy of the newsletter and Mass leaflet home with you. We appreciate your understanding and cooperation as we work to keep our Church a safe place for all.

Mass Leaflets

We now have a limited number of Mass leaflets for each Mass. Please take these home with you. Do not leave them in the seat or return them to the back of Church
