### Keeping Our Distance

While we welcome the lifting of restrictions, we have to be mindful of the more vulnerable among us who might be feeling anxious about attending Mass. As we get used to the new normal, we ask you to continue to protect yourselves and each other. You can do so by:

**Keeping your distance...leaving a space between you and a person from a different household**

**Wearing a facemask at all Church ceremonies**

**Using the hand sanitizer before entering the Church**

**Taking your copy of the newsletter home with you**

**Following the one system for Communion, (up the centre aisle and down the sides) The Stewards will guide you.**

**Communion will be given in the hand only**

We appreciate your cooperation and understanding as we continue to work to keep our Church a safe place for all

**The Annual St. Brigid's Day service** will take place on Tuesday, February 1st in St Fiacre's Church Loughboy at 7.30 pm. Water from the well of St. Brigid in Kildare and blessed red flannel will be available on the night. Music ministry by the Kilkenny Gospel Choir. All welcome

### Living Life to the Full

This week we have been celebrating Catholic Schools Week. The Theme **“Living Life to the Full”** comes from St. John’s Gospel 10:10 when Jesus says “I have come so that you may have life, and have it to the full! The daily themes were

**Living Life to the Full with God**

**Living Life to the full together**

**Celebrating being together again**

**Living life in Wonder and Awe**

**Living life and facing the future**

As we adapt to the many challenges and changes that the Covid-19 pandemic has caused, we are given the opportunity to reflect on the things that give our lives meaning. For some it is family, friends, community sports or hobbies. For Catholics, it is God’s love and wish for us to know and love him that gives life ultimate meaning. Jesus Christ is the revelation of this love, realized through his life, death and Resurrection. In response to this, we reflect on how Catholic schools are communities where we live life to the full.

Every Catholic School fosters the holistic development of its students, promotes their wellbeing and encourages them to learn and nurture their skills and talent.

Each child has the potential to change the world for the better, making it a kinder, more inclusive and more welcoming place.

During the week a few past pupils from St. Canice’s who are now students at St. Kieran’s College came to share in the Religion lessons.

Next Tuesday, the Feast of St Bridget, our 6<sup>th</sup> class pupils will join us for the 9.15am Mass and will celebrate with songs, readings and Prayers of the Faithful.

Lord, help us to live like you taught us to.

Bless the Parents, Teachers and Pupils in our school. May they be blessed with the gifts of kindness and compassion so as to encourage and enable each one of us to grow. - **Fr Jim**
