### Medugorje: A Place of Hope

Medugorje is a place of Marian pilgrimage. The “Queen of Peace” has been appearing there since the twenty fourth of June 1981 to a small group of children. A group of pilgrims from the Kilkenny area have just returned, having spent six days in the now world famous parish. The guides lead you across vineyards, potato fields and tobacco fields. Then suddenly, the terrain rises sharply, a terrain beautiful to look at but challenging to the “pilgrims” who wish to climb the “Apparition Hills.” There, local children had an encounter with the “Queen of Peace.” That encounter was to prove lasting in that Mary continues to appear and speak to the “visionaries” They relate her message which invites all to pray for peace in our world. Pope St John Paul II said “Medugorje has become the confessional of the world.” Pilgrims love to receive the peace of the Lord in the world renowned shrine of the “Queen of Peace.” – **Fr. Tom**
