Troy's Court Appeal

The Independent living Units in Troy's Court are in need of funding to install more modern & energy efficient heating systems, so our older & more vulnerable residents can enjoy the basic comfort of a warm house and not have to worry about huge heating bills. That's where you can help! We started this **GoFundMe** page last year to help raise funds towards the cost of updating the heating system but we are a long way off reaching our target, so with your help, we can get that little bit closer to funding the replacement of the heating systems in our 20 Independent Living Units. Please spare a few euro towards our worthy cause, your kindness & generosity will be so much appreciated.
