Catholic Schools Week: next week we will be reflecting on the theme –

Caring for our common home. Pope Francis wrote an encyclical letter in May 2015 – Laudato Si – which discusses the harm humankind has caused on earth and calls on 'every person living on this planet' to make necessary changes in our lives to protect our planet.

Laudato Si deals with many environmental issues including pollution, climate change, drought, loss of biodiversity and the decline in the quality of human life. Pope Francis is asking us to work together to create a better world for future generations and to take care of, respect and value our common home.

As Catholic schools, we can play an essential role in shaping the future of our planet by working together to care for our common home.

During the week we will reflect on these themes:

Monday - Seeing the beauty of our common home.

Tuesday – Caring from our common home.

Wednesday – Grandparents-watching over our common home.

Thursday – Protecting our common home.

Friday – sharing our common home.

I hope you will have interesting discussions at home during the week too.
