A few words from Fr. Tom

The Covid-19 pandemic has made us all vulnerable to the same threat. Curiously it
has thereby made us aware of our interdependence, our solidarity.

We need one another and depend on one another.

This solidarity can have a special effect; it can unite us to God because it raises the
greatest and the most important questions. What are these questions?

They are the questions of origin, of identity and of purpose.

Where am I from? Who am I? What is the purpose of my life? These are the most
profound questions but they tend to be overlooked in society..... *Until these times!*
