Aoibhinn Beatha an Scoláire!

Wonderful is the life of a student! Wednesday of this week was the first day in school for our Primary School scholars. I went to greet them and the new Principal and discovered they had a half day! It is a lovely way to begin – easing into the new school year. The best of luck to all of the pupils and teachers. It takes very little time to get back into the routine. Thankfully the weather has been beautiful and everyone is in good form as a result.

There are lovely seats along Parliament Street and I am thinking of taking up a position on one of them to meet the passers-by. Today I sat down beside "Doc" Hennessy for a chat and enjoyed watching the world go by. If you see me in my new location on the side of the street, be sure to come and sit down for a chat. Having the chairs and tables outside the bars and restaurants is such a brilliant idea. It gives a homely atmosphere to the city and makes more space for people to congregate. Life would not be the same without our friends and conversations, sharing experiences on the colourful road of life. Jesus did a lot of this. He was always on the road, meeting people and sharing his love

Our good wishes and prayers to Fr. Tom and Sr. Concepta, who have been ill recently. They are now convalescing and making steady progress. We look forward to seeing them back in action in the Parish soon. - **Fr Jim**
